Media Advisory Fatality Accident Update

The Wichita Police Department has identified the victim from Thursday's fatality accident as 33-year-old Quentin Bonham of Wichita.

At approximately 9:45 a.m., officers responded to an injury accident at Kellogg and I-135. Responding officers located Bonham with critical injuries. He was transported to a local hospital for treatment where he died from his injuries.

The investigation revealed a 28-year-old female was driving a white GMC Denali and was merging from I-135 onto eastbound Kellogg. The vehicle was also occupied by a 15-year-old female and a 2-year-old female. The SUV stalled out partially in the merging lane as well as the eastbound lane of Kellogg. The driver called 911 to report that her vehicle was stalled, and officers were responding when the accident occurred.

Bonham was driving a black Honda Accord and was also merging onto Kellogg from the I-135 Ramp. He then rear-ended the SUV, causing his fatal injuries. The occupants of the SUV were not injured.

Traffic for eastbound Kellogg was reduced to a single lane in that area while the WPD Critical Accident Team investigated this incident.

This incident remains under investigation.

The case number is 19C018631.
